AMENDMENT

This is in response to the Office Action mailed 04/01/2003 in the above-identified
application.

IN THE CLAIMS:

Please cancel claim 3 without prejudice or disclaimer to the subject matter
contained therein.

Please substitute amended claims 1, 4 and 5 for pending claims 1, 4 and 5 as
follows:

- A1
1. Amended) A multifunction air knife, comprising:
 - a manifold connected to an air supply source, wherein said manifold defines
an outlet for providing a directed stream of air from said manifold;
 - an air source control to vary an air pressure supplied to the manifold in
response to a predetermined condition wherein said predetermined condition is
determined based upon the weight of a sheet.
